Stellar Solutions, Inc CEO Celeste Ford Named Ernst & Young Entrepreneur Of The Year[®] 2009 Award Recipient in Northern California

Award Recognizes Entrepreneurial Excellence in Services Category

Palo Alto, CA, June 15, 2009 – Stellar Solutions, Inc today announced Celeste Ford, CEO received the Ernst & Young Entrepreneur Of The Year[®] 2009 Award in the services category in Northern California. According to Ernst & Young LLP, the award recognizes outstanding entrepreneurs who are building and leading dynamic, growing businesses. Celeste Ford was selected by an independent panel of judges, and the award was presented at a gala event at The San Jose Fairmont on June 13, 2009.

Celeste Ford, who founded Stellar Solutions in 1995, says her goal was “to have high impact and focus on what is important--solving our customer’s critical needs and aligning those activities with our employee’s dream jobs”

Stellar Solutions is an engineering services company providing end-to-end technical expertise and problem solving skills to significant national and international aerospace programs.

The Ernst & Young Entrepreneur Of The Year awards celebrate their 23rd anniversary this year. The program honors entrepreneurs who have demonstrated exceptional in such areas as innovation, financial performance and personal commitment to their businesses and communities.

“We are proud to recognize the achievements of Celeste Ford,” said Ernie Cortes, Ernst & Young LLP

Entrepreneur Of The Year Program Director for Northern California. “Award recipients of the Entrepreneur Of The Year award build leading businesses and contribute significantly to the strength of our region’s economy. Their success helps our area grow stronger.”

As a Northern California award recipient, Celeste Ford is now eligible for consideration for the Ernst & Young LLP Entrepreneur Of The Year 2009 national program. Award recipients in several national categories, as well as the overall national Ernst & Young Entrepreneur Of The Year award recipient, will be announced at the annual awards
